# THE NEW BMW 4 SERIES COUPÉ.

The broad stance of an athlete with the elegance of a coupé – the new BMW 4 Series Coupé combines compelling sportiness with irresistible design for a driving experience which is never less than amazing. Innovative BMW EfficientDynamics technologies such as Auto Start-Stop and ECO PRO mode are included as standard on all models with the Aero Curtain and Air Breather not only enhancing the sporty look but also improving aerodynamics. Discover a new dimension of driving pleasure; discover the new BMW 4 Series Coupé.

## BMW EFFICIENT DYNAMICS.

EfficientDynamics is BMW's award-winning programme of technologies designed to reduce CO<sub>2</sub> emissions and improve fuel economy, without compromising on performance or driving dynamics. These technologies are standard on every new BMW and could lower your fuel and tax costs, as well as ensure a lower benefit in kind tax rating for company car drivers. You can find out more about the benefits of BMW EfficientDynamics, as well as compare your own vehicle against any BMW 4 Series model at [www.bmw.co.uk/EfficientDynamics](http://www.bmw.co.uk/EfficientDynamics)

<b>Auto Start-Stop</b>	<b>Brake Energy Regeneration</b>	<b>ECO PRO mode</b>	<b>Electric Power Steering</b>	<b>Lightweight Engineering</b>	<b>Optimum Shift Indicator</b>	<b>Reduced Rolling Resistance Tyres</b>
						

**BMW EfficientDynamics**  
Less emissions. More driving pleasure.

# STANDARD EQUIPMENT HIGHLIGHTS.

## A GUIDE TO TRIM LEVELS.

The new BMW 4 Series Coupé is available in a variety of trim levels, each providing a different level of standard specification. The tables below highlight some of the equipment differences between them, whilst further details can be found in the new BMW 4 Series Coupé model Brochure.

### SE (420i/428i/420d/420d xDrive)

- 17" light alloy Star-spoke style 393

- Bluetooth hands-free facility with USB audio interface
- Cruise control with brake function
- DAB tuner
- Dakota leather upholstery
- Drive Performance Control (ECO PRO, Comfort and Sport modes)
- Exhaust tailpipe, with Chrome finisher (dual tailpipes on 428i)
- Extended lighting
- Exterior trim, Matt Black
- Interior trim, Satin Silver
- Kidney grille, Chrome with Black vertical slats
- LED taillights
- Park Distance Control (PDC), front and rear
- Rain sensor with automatic headlight activation
- Rear-view mirror, automatically dimming
- Run-flat tyres
- Seat adjustment – front, electric with driver memory (428i)
- Seat heating for driver and front passenger
- Servotronic
- Sport multi-function leather steering wheel, three-spoke
- Windscreen with grey shade band
- Xenon Headlights with Headlight wash

**RRP from £28,280** inc. VAT

### Sport (In addition / replacement to SE models)

- 18" light alloy Double-spoke style 397
- Air-conditioning and radio control panel in High-gloss Black with Chrome highlight
- Ambient lighting – switchable BMW Classic Orange/Cold White LED
- Door sill finishers with BMW Sport designation, front
- Drive Performance Control (ECO PRO, Comfort, Sport and Sport+ modes)
- Exhaust tailpipe – single, left, with Dark Chrome finisher (dual tailpipes on 428i)
- Exterior B pillar – Black, High-gloss
- Front air inlet with Black, High-gloss finisher
- Interior trim, Black, High-gloss with Coral Red finisher
- Kidney grille, Chrome with extra-wide Black, High-gloss vertical slats
- Rear bumper with Black, High-gloss finisher
- Remote control, including integrated key, with inset in Red
- Side air inlets, highlighter in Black/Aluminium
- Sport instrument cluster with Red highlight and chrono scale
- Sport multi-function leather steering wheel, three-spoke with Red stitching
- Sport seats, front
- Sun visors with illuminated vanity mirrors and ticket pocket

**RRP from £29,780** inc. VAT  
+ £1,500 over SE

# STANDARD EQUIPMENT HIGHLIGHTS.

## Modern (In addition / replacement to SE models)

- 18" light alloy Turbine style 415
- Air-conditioning and radio control panel in Black, High-gloss with Chrome highlight
- Ambient lighting – switchable BMW Classic Orange/Cold White LED
- Door sill finishers with BMW Modern designation, front
- Exhaust tailpipe – single, left, with Matt Chrome finisher (dual tailpipes on 428i)
- Exterior B pillar – Black, High-gloss
- Front air inlet with Matt Chrome finisher
- Interior trim, Pearl Dark with Pearl Chrome finisher
- Kidney grille, Chrome with Matt Chrome vertical slats
- Rear bumper with Matt Chrome finisher
- Remote control, including integrated key, in Oyster with inset in Chrome
- Side air inlets, highlighter in Matt Chrome
- Sport seats, front

**RRP from £29,780** inc. VAT  
**+ £1,500 over SE**

**Luxury** (In addition / replacement to SE models)

- 18" light alloy Multi-spoke style 416
- Air-conditioning and radio control panel in Black, High-gloss with Chrome highlight
- Ambient lighting – switchable BMW Classic Orange/Cold White LED
- Centre console panel highlight in Chrome
- Dakota leather upholstery with Exclusive stitching
- Door sill finishers with BMW Luxury designation, front
- Eight-speed Sport automatic transmission (430d/435d xDrive)
- Exhaust tailpipe, with Chrome finisher (dual tailpipes on 428i/435i/430d/435d)
- Exterior B pillar – Black, High-gloss
- Exterior trim, Chromeline
- Front air inlet with Chrome finisher
- Interior trim, Finition Anthracite wood with Pearl Chrome finisher
- Kidney grille, Chrome with Chrome vertical slats
- Media package – BMW Business
- Metallic paint (435i/430d/435d xDrive)
- M Sport suspension (435i)
- Rear bumper with Chrome finisher
- Remote control, including integrated key, with inset in Chrome
- Side air inlets, highlighter in Chrome
- Sport seats, front

**RRP from £30,780** inc. VAT  
 + £2,500 over SE

# STANDARD EQUIPMENT HIGHLIGHTS.

## **M Sport** (In addition / replacement to SE models)

- 18" light alloy M Star-spoke style 400 M
- Air-conditioning and radio control panel in High-gloss Black with Chrome highlight
- Ambient lighting – switchable BMW Classic Orange/Cold White LED
- Door sill finishers with M designation
- Drive Performance Control (ECO PRO, Comfort, Sport and Sport+ modes)
- Eight-speed Sport automatic transmission (430d/435d xDrive)
- Exhaust tailpipe, with Chrome finisher (dual tailpipes on 428i/435i/430d/435d/435d xDrive)
- Exterior trim, High-gloss Shadowline

### VED rates

VED rates for brand new cars are determined by their CO<sub>2</sub> emissions figure. First year VED applies to the first year of ownership. Annual VED rates apply thereafter. The new BMW 4 Series Coupé models fall into one of the four categories listed below:

CO <sub>2</sub> emissions (g/km)	Band D 121-130	Band G 151-165	Band I 176-185	Band J 186-200
First year VED	£0	£175	£335	£475
Annual VED (second year onwards)	£105	£175	£220	£260

\* = Availability from November 2013. \*\* = Availability from September 2013.

### On the road price

The recommended on the road price includes:

Delivery and BMW Emergency Service	£700
Number plates	£25
Vehicle first registration fee	£55
First year Vehicle Excise Duty	See left

# BMW CONNECTED DRIVE SERVICES.

## 1. General information

BMW (UK) Limited of Ellesfield Avenue, Bracknell, Berkshire, RG128TA (hereafter referred to as "BMW") provides the customer with vehicle-specific information and support services under the name "BMW ConnectedDrive" (hereinafter referred to as "Services"). Except where the following description of the individual Services explicitly states otherwise, BMW does not collect, store or process customer data for the Services listed here. For the provision of Services for which the collection, storage and processing of personal data is necessary, the customer shall be informed in advance in order to obtain his/her consent. Services are provided by means of a SIM card installed in the vehicle. Call and data-connection costs are included in the price of the Services. Insofar as it is necessary for the substantive organisation and utilisation of the Services BMW collects, stores and processes vehicle-related data within the legal stipulations.

## 2. BMW ConnectedDrive basic Services

The BMW ConnectedDrive basic Services "TeleServices" (6AE) and "BMW Emergency Call" (6AC) have already been activated at the point of vehicle transfer.

### a. TeleServices (6AE)

The "TeleServices" Service ensures the mobility of the customer. If required or when triggered or commissioned by the customer, the vehicle's technical data (e.g. service information concerning wear parts, vehicle-status information such as check-control notifications, battery-charge status, data for identifying and locating the vehicle in the event of a breakdown) shall be transferred to BMW. In the event that a service is required, these items of data shall be forwarded to the responsible service partner, BMW Mobile Care or respective service providers for the purposes of making contact and arranging an appointment, where they shall be retained until all procedures have been properly completed. Beyond this, no data shall be forwarded to third parties. On occasion technical data shall be transferred from the vehicle to BMW where it shall be evaluated to aid the further development of BMW products. This is known as the "Teleservice Report". This data is exclusively technical, vehicle-related data. Other data such as positioning data shall not be transferred as part of the "Teleservice Report". The "TeleService Battery Guard" continuously monitors the battery-charge status of the vehicle. If the battery-charge status falls below a fixed value, the responsible service partner will be informed. The responsible service partner will then contact the customer if necessary to arrange a service appointment. By registering in the BMW ConnectedDrive Customer Portal, the customer can also be informed about a critical battery status by SMS message or email, for example if the parking lights, side lights or hazards are left on.

### b. BMW Emergency Call (6AC)

The vehicle's identification and location is required for the use of the "BMW Emergency Call", and it is also necessary to transmit the information required to provide assistance to the respective emergency-service centre. The user's request and the data required may be transmitted to service providers commissioned by BMW to provide the Service – in that case, these items of data shall only be used to help provide the Service and shall be retained until all procedures have been properly completed. Beyond this, no data shall be forwarded to third parties.

## 3. BMW Online Services (6AK)

The "BMW Online" (6AK) Service is activated for 36 months after first registration. The customer can extend the Service for an additional charge beyond the initial free-of-charge period via the BMW ConnectedDrive Customer Portal.

The vehicle's identification is required for the use of the Service and it shall also be necessary to process the information required to provide assistance. The data shall then be deleted. When Points of Interest queries are used, the customer request may be transmitted to service providers commissioned by BMW to provide the Service – in that case, these items of data shall only be used to help provide the Service and shall be retained until all procedures have been properly completed. The data shall then be deleted. Beyond this, no data shall be forwarded to third parties.

## 4. Information Plus (6AN)

The "Information Plus" (6AN) Service is activated for 36 months after first registration. The customer can extend the Service for an additional charge beyond the initial free-of-charge period via the BMW ConnectedDrive Customer Portal.

To use the Service, the customer is connected to the BMW call centre at the push of a button using the integrated telephone unit. In this way, data concerning the vehicle's identification, location and – if route guidance is activated – the selected route may be transmitted to the service providers commissioned by BMW to provide the Service – in that case, this data shall only be used to help process the provision of the Service and shall be retained until all procedures have been properly completed. The data shall then be deleted. Beyond this, no data shall be forwarded to third parties.

## 5. Real Time Traffic Information (6AM)

The "Real Time Traffic Information" (6AM) Service is activated for 36 months after first registration. The customer can extend the Service for an additional charge beyond the initial free-of-charge period via the BMW ConnectedDrive Customer Portal.

The traffic information required for the Service is calculated by a variety of means including using what is known as Floating Car Data. In this sense, every ConnectedDrive-capable BMW functions as a "mobile traffic reporter" (Floating Car). The individual position and sensor data of the vehicle calculated during the trip is transferred – completely anonymously – to BMW and a service provider together with up-to-date time information.

## 6. Internet (6AR)

The "Internet" (6AR) Service runs for a period of one year after the vehicle's first registration. The customer can extend the Service for an additional charge beyond the initial free-of-charge period via the BMW ConnectedDrive Customer Portal.

## 7. Remote Services (6AP)

Use of the "Remote Services" (6AP) either upon request to BMW Customer Support or via the "My BMW Remote" smart-phone application requires registration in the BMW ConnectedDrive Customer Portal.

## 8. Availability of the Service

The complete range of Services is only available for customers whose vehicles are approved in United Kingdom, and only within United Kingdom.

"BMW Emergency Call" (6AC) is available to customers in United Kingdom, Germany, Austria, Italy, France, and the Netherlands. "TeleServices" (6AE), "Information Plus" (6AN), "Remote Services" (6AP) and "BMW Online" (6AK) can be accessed on any mobile communication network in Europe. When used abroad, the range and characteristics of the service may vary from the range and characteristics described above and may vary from country to country. "Real Time Traffic Information" (6AM) is available in United Kingdom, Germany, Italy and France. The "Internet" (6AR) service is only available in United Kingdom.

## 9. Deactivation

The customer may have the BMW ConnectedDrive basic Services "TeleServices" (6AE) and "BMW Emergency Call" (6AC) deactivated at any time at an authorised BMW Dealer, a regional BMW branch or an authorised BMW workshop. Deactivation of this Service will also deactivate the SIM card installed in the vehicle. This results in the Emergency Call in the vehicle also not functioning. The other Services can also be deactivated by the customer (from November 2013) via the BMW ConnectedDrive Customer Portal ("My BMW ConnectedDrive").

For further information on BMW ConnectedDrive and the General Terms and Conditions of Service for ConnectedDrive, please see:
